BRIEF ABSTRACT OF LETTER.

Requests sanction for an advance of Rs 290/- towards
the expenses of the car festival ^{of the above temple} (to come off on 24-3-1913) and
~~that~~ recommends that definite orders may be passed directing
all the ^{gata} realisations to be credited to Muzoi Fund.

NOTES AND ORDERS

The Dy Commr's letter ~~also~~ gives
the facts of the case concisely

2) The Vernacular papers show that
very great difficulty is experienced in
getting the self constituted ~~Shamashan~~ ^{managers}

to furnish proper accounts for the period during which the institution was under their management. The chief items of income and expenditure are those relating to the car festival. The ~~to~~ present Amildar states that, unless he goes and personally supervises the jatra of one year, he ~~cannot~~ will not be in a ~~poor~~ position to submit a scale of expenditure for the institution.

3) In para 3 of his letter the Dy. Commr. states that steps were taken to organise a body of Dharmadarsis for the management of the temple. No new Dharmadarsis seem to have been appointed and the persons who were managing the affairs (prior to Govt. interference) seem to have been recognised as Dharmadarsis. As this is a Major Muzroi institution, ~~therefore~~ ~~the list of Dharmadarsis~~ the appointment of Dharmadarsis should be notified ~~for~~ in the Gazette. So ~~the~~ ~~for~~ ~~list of Dharmadarsis~~ Dy. Commr may perhaps be called upon

for approval of Govt.
to submit a list of Sharmadarsis
whom he proposes to appoint.

4). It is reported that the Jatra realisations were being utilised for the temple expenses, before the village was constituted as a Union and that after the constitution of the union the amount was claimed by the Local Boards. The amount was however credited to Muz. Funds last year, under the orders of the Dy Commr. ~~The~~ Definite orders are solicited in this matter. ~~Unless~~ In case the jatra is held on land ~~not~~ belonging to the ^{Union} temple, the Local Boards may claim incidental charges incurred for sanitation, lighting &c, of the locality. Otherwise there seems to be no reason why the union should claim the jatra realisations. ~~the opinion~~ ^{Consulted} of Mr IV may perhaps be ~~obtained~~ on this point.

5) Sanction is solicited to draw an advance of Rs 290/- for expenses of the coming jatra which is reported to take place on 24-3-13.

In the case under advertence the Jatra receipts were being credited to the DT funds ever since the Nairkanhalli municipality was converted into an Union. The authority for altering the procedure that had been in vogue for 70 or 80 years has not been stated.

21) It is a matter for consideration whether the DT Bd will waive their claim to the Jatra receipts in consideration of the fact that the Jatra is held in connection with the car festival of Thippemodraswamy and that the fees are paid by the devotees probably under the impression that the money will be used for the benefit of the temple. As the temple has become a murrain institution, it will perhaps be necessary to authorize the levy of fees and fix the rates at which they are to be levied in case there has been no authority for the levy hitherto.

It is said that the Jatra collections were being credited to Murzai funds from a long time till 1904-05 when the village was constituted into a Union, that thereafter the fees levied from shops on union land were credited to District Funds as per Dt Board Resolution of 20.7.06 and those on temple lands to Murzai funds.

The Dr Board is the local Sanitary authority

It is therefore necessary that

It relates to the claim of the Local Boards to the fee collections in part or whole ~~of~~ the Jathra. Item 7 of S. 20 defines the ~~claim~~ ^{right} of the Dist. Board to the fees levied for the temporary use of certain public places on the occasion of fairs and festivals. The claim of the temple is based upon immemorial usage and the fact that the fair is in connection with a temple fixture on which money is spent. Further this income is in a large number of cases the main source from which the temple worship is maintained throughout the year. In these circumstances so long as the temple is prepared to meet all expenditure for Sanitary and other arrangements it seems to the fair to allow the temple to enjoy its immemorial rights, at least.

In the present case, the matter is simplified by the Dist. Board waiving its right to a share. A draft is subd for approval or other orders

S I R,

In forwarding herewith the file of Vernacular papers ending with yadi No.672 dated the 3rd February 1913 received from the Assistant Commissioner, Chitaldrug Sub-Division, re the management of the Thipperudraswamy temple at Naikanhatti, Chellakere Taluk, I have the honor to state that the temple in question was for a very long time past, under the independent management of a few leading members of the village whose offices were neither recognized by Government nor were their actions controlled.

2. The Comptroller having called for a list of major Muzrai Institutions in the District whose annual income amounts to Rs 250 or more, the Amildars were requested to furnish the needful information. The temple in question was reported to be one of the major institutions in the Chellakere Taluk, and as such, instructions had to be issued for exercising efficient control over it. When the managers were asked to render accounts for the amount received by them from time to time, they were not prepared to answer the authority and took considerable time to produce some of the temple records maintained by them. Their conduct was on the whole anything but satisfactory. All the surplus amount retained with them was ordered to be credited to Government under Muzrai Funds.

3. Steps were taken to organize a body of Dharmadarsees for the management of this institution. They have now submitted an estimate for ~~Rs~~^X 290/- for the expenses required in connection with the car procession which is to be celebrated on the 24th March 1913. The Amildar reports that he would study the actual wants of the Institution during the ensuing jatra and then submit an exact estimate for expenditure, but proposes that for the present an advance of Rs 290/- may be given to the Dharmadarsees from the sum of Rs 1327-3-9 at the credit of the institution, pending adjustment of accounts in due course. The Assistant Commissioner recommends that the estimate may be sanctioned.

4. In connection with the car festival, a big jatra is held annually for about a fortnight in the month of Phalgun. Traders of all kinds visit the place with their consignments, and transactions to the extent of over one lakh of rupees are carried on. The tax levied on them was for a long time past utilised by the then managers of the institution for the expenses incidental to the car festival. A few years ago Naikanhatti was constituted into a Union and thereafter the jatra receipts were claimed by the Local Boards as their own. The collection of last year was however credited to Muzrai Funds under the orders of my predecessor Mr. K. Chandy.

5. As the jatra is held in connection with the car festival and as a large sum of money is required to conduct the several ceremonies according to mamool, I beg to recommend that definite orders of Government may kindly be obtained early, to credit the taxes levied on shops held during the car festival at Naikanhatti, to Muzrai Funds agreeably to the practice obtaining in good many other places in the Province.

6. The question whether any portion of the income derived from the jatra should not reasonably be credited to the Local Board

SIR,

With reference to your letter No. 1970/Muz. 533-12-3

dated 3rd April 1913 calling for further information re the car
festival of Sri Tipperumalaswamy temple at Mallahalli in the
Chitaldrug Taluk, I beg to inform you herewith the
Vandalur correspondence with Chitaldrug Sub-Division
dated 15th Jan No. 607 dated 4th February 1914 and to state as
follows:-

2. It is reported that the system of levying fees on
shops &c, at the said Jatra is a vague one and is not uniform, but
is levied from 4 annas to Rs 10/- according to the nature of
the shops &c, and is levied on a casual (vide pharist No. 173) and that
there is no authority of any kind to levy the same except casual.
This work is being done by the Chitaldrug taluk and the leading
villages under the supervision of the local authorities. The
amount collected is credited to Muzrai Funds till the year
04-05.

3. The Jatra is being held in the temple premises as
well as in the public street. The village having been since
converted into a Union, a portion of the Jatra receipts viz that
collected from the shops held in the public street was credited to
District Funds in accordance with the resolution passed by the
District Board meeting held on 20th July 1906 while that recovered
from the shops held in the temple premises was credited to Muzrai Funds.

This system continued till the year 1912 when Mr. K. Chetty, then Deputy Commissioner ordered that in the interest of the temple the whole of the Jatra receipts should invariably be credited to Muzrai Funds and it is being carried out accordi

4. The sanitation work during the jatra time is being carried on by the special conservancy establishment (i.e., 8 sweepers at Rs 2/- each per month) appointed for the purpose, provision for the cost thereof viz Rs 16/- being made in the District Fund Budget year by year.

5. As for the claim of the District Board to the Jatra receipts referred to in para 5 of the communication in question, the matter was discussed in the meeting of the District Board held on 18th February 1914 and the Board is willing to waive its claim to the said Jatra receipts in the special circumstances of the case. A copy of the resolution is enclosed.

6. A list showing the average income and expenditure is also appended (Vide pharis No. 157).

7. On receipt of Government orders in the matter, a copy of expenditure will be submitted for sanction.

I have the honor to be,

S I R,

Your most obedient servant,

Deputy Commissioner,
Chitaldrug District.
